Our fitness programs focus on injury prevention (with an emphasis on ACL prevention), conditioning, quickness, agility and flexibility. Professional fitness trainers work with GS Surf players and coaches to design age and ability appropriate exercise/training programs. Our technical training (2010-2005) programs focus on individual technical skill development. GS Surf technical staff and coaches work with GS Surf players during three separate technical training periods throughout the year. Our functional training (2004-2000) programs focus on individual and small group technical skill and tactical decision-making development. GS Surf technical staff and coaches work with GS Surf players during two separate functional training periods throughout the year.

Additional Costs:

Team Fees

Costs not covered by the club fees are summer tournament fees, team equipment, coach travel expenses, etc. These costs are higher for older teams traveling to out-of-state tournaments, but for most players will be \$200-\$300.

Uniforms

Uniforms are not included in Club Fees and will be ordered through soccer.com. The basic kit includes two jerseys, one pair of shorts, 2 pairs of socks and training top, shorts and socks. Youth basic kit cost is approximately \$185, and the adult kit cost is approximately \$195. The 2017-2018 kits will be worn in 2018-2019 so returning families will only need to order replacement items.

How to Register

Go to the GS Surf website at: gssurfsc.org. Select the Registration tab and follow the prompts to complete the registration process. **Please be prepared to upload a birth certificate or passport and a head shot of your player at the time of registration if you did not upload them previously.**

Payment Options

There are two payment methods available: credit/debit card payment or e-check payment from your bank account. Payment options available are: payment in full, monthly auto payment plan for 9 months or a 3-auto payment plan over 7 months (1st payment upon registration, 2nd and 3rd payments 3 and 6 months after registration).

There are processing fees associated with both auto payment plans. All payments after the initial payment are assessed a \$5 service fee (\$40 if you sign up for the 9-payment plan and \$10 for the 3-payment plan). If you select the 9-month payment plan and set up e-check auto payments we will credit your account \$20, so your fee per auto payment is only \$2.50 (\$20 total). E-check payments have a smaller service fee, so we will pass that savings on to you.

Scholarships

GS Surf is committed to making premier-level soccer training available to children of all income levels. Generally, partial scholarships are granted to families who qualify according to their income level. For a complete explanation of the Scholarship Program, please go to gssurfsc.org. Application forms are available on the club website under Parent Resources: Forms.

Field Locations

Greater Seattle Surf enjoys first-rate facilities owned by the Northshore School District, Edmonds School District, Edmonds Community College, King County and the cities of Bothell, Woodinville and Mountlake Terrace.

Training Schedules

Most teams train three times a week. Training locations and times can change throughout the year. Usual training days are Monday-Thursday and most training sessions are 1.5 hours in length beginning at 5:30, 6:00, 7:00 or 7:30 pm.

Pre-Season Tournaments

Most teams participate in three or more summer tournaments around Western Washington. Older teams may participate in out-of-state tournaments. Tournaments are a great opportunity for the players and families to bond, have fun, and create great memories of their competitive soccer days. They are also an important tool in gauging a team's developmental benchmarks and preparing for league play.

League Play

Greater Seattle Surf premier teams compete in the top league in the state of Washington, the Regional Club League (RCL) of Washington Youth Soccer (WYS). The RCL offers teams aged 2010 to 2005 a fall and winter season. In order to maximize most players' desire to play on their high school teams, the high school boys' season is in the fall; and the high school girls' season is in the winter.

Post-Season State Cup Tournaments

State cup play begins at the end of RCL season play with a guarantee of at least three games. After the elimination round, teams continue to play until they lose or compete in the tournament final.
